Greetings and Salutations!

As you know, the holiday season is approaching quickly. We would like to offer to help “get the word out” about yourselves. We’d like to make an awesome opportunity available to area businesses. We will offer free basic packages through the holidays to area small businesses, and free premier packages through the holidays to those who help us promote the station by displaying them at your business!

WYML is a non-profit community radio station operated solely by volunteers. We broadcast on 99.9 FM from Prairie Grove, as well as on the internet through your PC, iPhone, Android smartphones, Android Auto, Apple CarPlay, Alexa, Amazon Echo and more! For background music we have a simple device for store audio systems! Our family oriented programming covers popular music from 1970-present. Our listening audience ranges from 15-60! We play “the greatest music from the greatest decades”!

Interested in taking advantage of the free offer and helping your business while helping WYML and the community? Email joe.serocki@wyml.us or call the studio hotline at 224-444-9965. We look forward to hearing from you!

Thanks
